SHOPPING EXPERIENCIES BY ALMARTE BOUTIQUE

The Shopping Experiences by Almarite Boutique will give your guests a flavor of what a typical Mexican market is like; an open-air market, or “Tianguis” as we call them in Mexico, selling colorful, hand-crafted accessories, jewelry and home décor by talented artisans from all over Mexico.

Your Guests are greeted by our invited artisans who will explain all the beautiful crafts displayed on every booth. You can give your attendees a Credit voucher (you decide on the dollar amount per person or per couple), so they can shop the items they like at the Market. You can also decide to have just 1 booth or all of them.

This is an entertaining experience for them that will create special memories!

STERLING SILVER COLLECTION BY SILVERSMITH ARMANDO SANCHEZ

Coming from a well known Silversmith Family in Los Cabos, Armando has a passion for Gemstones and one of a kind designs. Owner of Silvemoon Gallery in San Jose del Cabo.

He brings his joy and excitement while talking to Guests about how he handcrafts every single piece of his collection.

MASTER JUAN VAZQUEZ MENOR AND HIS LOVE FOR GOURDS (Guajes)

Juan was the winner of the National Handcrafts Award. His work, created with patience and love, enriches the lives of those who own them. The process begins with the collection of plants and minerals that are mixed to use as paint.

Once a gourd is dry, it can be cut and polished with fine sandpaper, inside and outside, so that the paint adheres well. They cannot produce large quantities because everything is done by hand. There are pieces that have taken Juan between 20 days to two months to complete. In his words: "There are no copies — each one is unique — each one is different".
