THE RESORT AT PEDREGAL RECEIVES AAA'S FIVE DIAMOND RATING
*Just 183 of nearly 59,000 AAA Approved hotels and restaurants
receive the travel authority's highest rating*

Cabo San Lucas, MEXICO (January 31, 2017) – [The Resort at Pedregal](#), Los Cabos' premier destination resort, is proud to announce it has received the coveted AAA Five Diamond designation. The resort has maintained this prestigious rating consecutively since 2013 and is part of a select group representing the upper echelon of the hospitality industry in North America. Just 120 hotels and 63 restaurants made the AAA Five Diamond lists for 2017.

Hotels at this level employ experienced, highly qualified staff to provide the custom service luxury hotel guests expect, according to AAA. These establishments deliver unmatched guest comfort with luxurious accommodations, extraordinary facilities and many personalized amenities.

"We are very honored to receive this esteemed designation for the fifth year in a row," said General Manager Fernando Flores. "We strive to provide every guest with exceptional hospitality and The Resort at Pedregal is proud of the hard work and dedication our staff has demonstrated to earn this Five Diamond Rating."

The Five-Diamond Resort at Pedregal lies on an extraordinary 24-acre site at the southernmost tip of Mexico's Baja California Peninsula. The resort has a total of 113 rooms, suites and multi-bedroom residential-style villas, including a brand new two-level, three-bedroom suite, Casa Bella Vista, that debuted in spring 2016. The exclusive haven, accessible only by the private Dos Mares tunnel, is just minutes from bustling downtown Cabo San Lucas, yet seemingly worlds apart. The resort offers an award-winning spa, Luna y Mar, and a distinctive dining program with a Champagne Terrace and restaurants including Don Manuel's and El Farallon, both favorites among locals and visitors.

"A big part of becoming a Five Diamond establishment is consistently exceeding expectations of the most discriminating traveler — the AAA inspector. Five Diamond hotels and restaurants deliver a highly personalized, memorable experience, and we are pleased to recognize The Resort at Pedregal with the Five Diamond Rating," said Michael Petrone, director, AAA Inspections and Diamond Ratings.

For more than 80 years, AAA has used professional inspectors to conduct anonymous, in-person property evaluations. AAA offers the only rating system using comprehensive, on-site professional hotel and restaurant evaluations guided by member priorities. With a far greater inventory than any other rating entity, AAA's rating system covers the United States, Canada, Mexico and the Caribbean.

Travelers can find Diamond Rated establishments and inspector insight in AAA's trip planning products: the [AAA Mobile app](#), the online [TripTik Travel Planner](#) mapping and routing tool, searchable online [AAA Travel Guides](#) and AAA TourBook guides available to members at AAA offices.
